

*Creating healing experiences...*

## ABOUT HIS GLORY HOSPITAL

His Glory Hospital is a faith-based healthcare organization dedicated to transforming lives through innovation across the continuum of care. We are recognized as the most respected and preferred healthcare provider in Coker-Aguda LCDA, Lagos, because of our outstanding team of nurses, medical professionals and physicians.

His Glory earns its excellent reputation by delivering compassionate, personalized care to all. We offer an outstanding selection of doctors, healthcare professionals, equipment and health services.

We are a family-owned healthcare facility that has been in existence since 2001 and over the years, has evolved to meet the growing need of communities within.

### OUR MISSION, VISION AND VALUES

Dedicated to providing spiritually-centred, holistic care that sustains and enhances the health of individuals and communities. Everything we do at His Glory is guided by our Mission, Vision and Values. They are at the heart of our work to revolutionize healthcare while providing care and services, particularly to those most in need.

### MISSION

Anchored in the precepts of the ministry of Jesus as healer (Balm of Gilead), we are committed to serving humanity to honour God by providing exceptional and cost-effective health care accessible to all. Our long existing well known “No-financial-Obligation” Outreaches to communities through local churches is dedicated to providing spiritually-centred, holistic care that sustains and enhances the health of individuals and communities.

### VISION

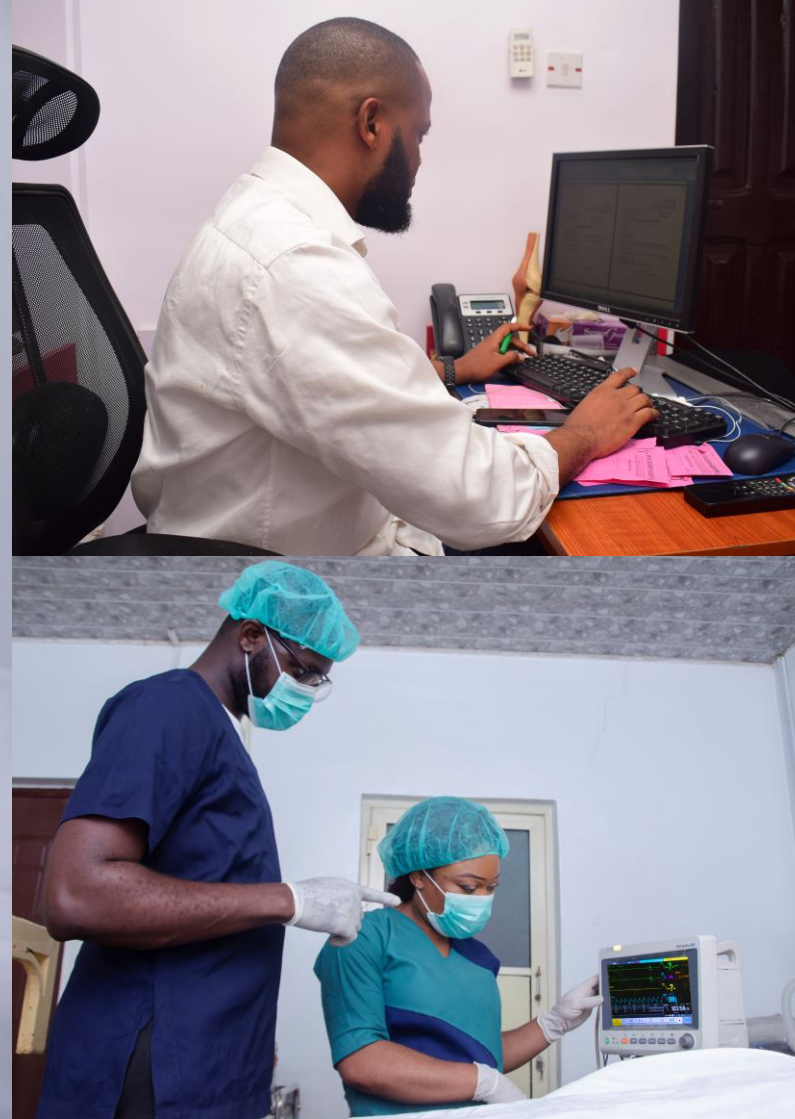

Our vision is for His Glory Hospital to be a world-class health care provider, advancing the health status of the community and constantly raising the standards of performance excellence.

### VALUES - iCARE

♥ Integrity ♥ Compassion ♥ Accountability ♥ Respect ♥ Excellence

On an individual basis, we commit to:

♥ Cure when we can ♥ Escort to death's door when we must ♥ Always create healing experiences
